

Dear Equestrian Enthusiast,

July 30, 2009

The Loudoun Horse Association, Tri- State Riding club and US Trail Ride, Inc. are supporting Loudoun County Parks and Recreation in the development of public equestrian facilities and trails in Loudoun County. We welcome any and all equestrian participation.

Immediate projects include installation of additional equestrian facilities at Franklin Park to compliment the existing 3-mile equestrian perimeter trail. In the future we are planning on developing the Lovettsville Park equestrian facilities and getting equestrian fixtures into the master plans of viable parks coming online around the County.

If you are interested in preserving the future of the equestrian lifestyle in Loudoun County by supporting the development of equestrian facilities in Loudoun County, please help us help you. In addition to financial and materials contributions, we welcome your time, experience and knowledge.

Projects will be posted at [www.ustrailride.org](http://www.ustrailride.org) ~ Join our USTR Yahoo group to receive notices of upcoming events and trail workdays.

If you or your equestrian organization can contribute financially, please direct donations to USTR. USTR is a certified 501c3 Tax Exempt organization and all contributions are tax-deductible.

USTR,  
PO Box 2794,  
Leesburg, VA 20177-7829

Please make your check out to "USTR" with a memo comment stating the money is to be used for "Equestrian Facilities". Donations over \$25 will be acknowledged with a donation receipt letter for tax purposes. Donations specific to facilities development will be earmarked and accounted for separately.
